How to make a Claim

Please check your policy to make sure that it covers the parts which have caused the breakdown. For quick reference, write your policy type and number below.

Policy type: _____

Policy number: _____

- 1 If you wish to make a claim: Telephone 0871 384 1168, or write to: AutoProtect (MBI) Limited, Cambridge House, Cambridge Road, Harlow CM20 2EQ. The correct claims procedure will be explained to you.
- 2 Book the vehicle in with the recommended repairer and give your permission to carry out any fault finding/diagnosis or dismantling necessary.
- 3 You agree that you will pay the costs of dismantling and repairing the vehicle if the cause of the breakdown is not covered by this policy and, if it is covered, all costs which exceed the limits on your Proposal Form and any excesses that may apply. You are responsible for paying for any other work you ask the repairer to carry out.
- 4 The repairer must then telephone AutoProtect quoting your policy type and number and ask for authority to carry out the repair.
- 5 If your claim is accepted, your repairer will be informed how much will be paid under this policy and an authority number for this value will be issued. The authority number will be effective for 90 days only from the date issued. No payments will be made under the terms of the authority number after the expiry of the period of 90 days. You are responsible for paying any amount the repairer charges over and above the amount authorised.

The invoice must be addressed to AutoProtect and clearly show the authority number given by AutoProtect for those repairs. The invoice must show whom AutoProtect should pay and give full details of the repair, including all parts used in the authorised repair, labour and VAT. AutoProtect may also need to see your original service invoices.

3. You will have to pay for any motoring fines and congestion charges.

Recovery

AutoProtect will pay up to £100 [including VAT] towards the cost of towing the vehicle to the nearest repairer if the vehicle breaks down. You should ensure that your repairer obtains an authority number that covers the recovery, and that the invoice of the person who recovered

your vehicle or the repairer's invoice is addressed to AutoProtect (MBI) Limited.

The invoice should be sent to:
AutoProtect (MBI) Limited, Cambridge House,
Cambridge Road, Harlow CM20 2EQ.

Overnight accommodation and rail fares

AutoProtect will pay up to £60 towards hotel expenses or a return rail ticket if the vehicle breaks down and you are unable to return home. You will need to send AutoProtect a receipt. You cannot claim for the cost of meals and drinks.

You can only qualify for overnight accommodation and rail fares if your vehicle is being repaired under this policy and prior authority has been given by AutoProtect's Claims Department.

Driving abroad

The policy is valid for up to 60 days per annum [pro rata] for driving in the Republic of Ireland and mainland Europe. AutoProtect will not pay more than the equivalent UK cost for parts and labour.

N.B. These benefits will not be provided if the failure is not covered by this policy. Payments will be limited to those levels outlined in this policy.

Service Standards

The vehicle must be serviced by a VAT registered garage, six months or 6,000 miles (whichever is the sooner) from the date of or mileage at purchase, and thereafter at intervals of six months or 6,000 miles (whichever is the sooner), and must consist of:

1. Change engine oil and filter.
2. Check oil levels in the gearbox and differential and top up where necessary.
3. Check coolant level and anti-freeze/inhibitor strength. Top up where necessary.
4. Check timing belt [if fitted], renew if necessary.
5. Brake fluid must be replaced in accordance with the manufacturer's recommendation.

The interval from the purchase date to the first service and the intervals between services must not exceed the stipulated time or mileage by more than 21 days or 500 miles. This time allowance is to facilitate the vehicle owner to make sure services are completed at the correct intervals. If any circumstances prevent the service being carried out at the correct time AutoProtect must be informed immediately by recorded delivery.

As an option the vehicle may be serviced in accordance with the manufacturer's recommended service schedule by a VAT registered garage.

If you have details of when the last service was carried out, such as a correctly completed entry in the service booklet or a previous service, you may service the vehicle at the recommended interval from that service. Please retain proof of the previous service for our inspection in the event of a claim. If no details are available to confirm that the vehicle is within the manufacturer's recommended service limits then the first service must be carried out at the latest within six months or 6,000 miles [whichever is the sooner] from the date/mileage at purchase but preferably at the first available opportunity.

The intervals between services must not exceed the manufacturer's stipulated maximum excess time or mileage allowances.

Failure to maintain and provide proof that the above service schedule has been completed will invalidate the Mechanical Breakdown Insurance Policy.

Warning

Timing belts (otherwise known as camshaft drive belts).

If your vehicle has a timing belt, please make sure that it is in good condition and that it is checked and changed in line with the manufacturer's recommendations. If the timing belt breaks it can cause serious and unnecessary engine damage and inconvenience. No responsibility will be accepted for damage caused by the failure of a worn-out timing belt.
